THE RANI OF JHANSI

Lakshmibai, the Rani of Jhansi was born under the name Manikarnika Tambe in Varanasi in 1828. She was one of the most resolute, patriotic figures of the Rebellion of 1857, India's first war of Independence. Brought up in a household of the Peshwa (Ruler) Baji Rao II, she had an unusual upbringing for a Brahmin girl. Growing up with boys in the Peshwa's court, she was trained in martial arts and she became proficient in sword fighting and riding. In 1842, at the age of 14, she got married to Gangadhar Rao Newalkar, the Maharaja of Jhansi and got the name Rani Lakshmibai. Shortly after the beginning of the revolt in 1857, she was proclaimed the regent of Jhansi. Her struggle against the British was courageous and consistent. She was not ready to surrender to the alien rulers. She inspired her followers with great enthusiasm and zeal for her cause. She was determined not to give up the dominion of Jhansi. As an organizer par excellence, she revamped the administration of the state, boosted and raised a banner of revolt against the British Raj. When Jhansi fell she moved to Kalpi and then to Gwalior to continue her struggle with renewed vigour. After a fierce battle with the British she died on June 17, 1858 martyring her life for India's freedom. For Indian nationalists, she was the icon for the freedom struggle against the British. November 19, the birth anniversary of Rani Lakshmibai is celebrated as Martyr's Day in Jhansi to honour the lives lost in the Rebellion of 1857.

MESSAGE FROM THE PRINCIPAL

Lakshmibai National College of Physical Education (LNCPE), founded in 1985 in the memory of Rani Lakshmibai of Jhansi. LNCPE is the only National College of Physical Education in India (Under Sports Authority of India), primarily focused on developing a holistic ecosystem and excellence for teaching and research in the field of Physical Education and sports. Since origin, the college has achieved great heights of success owing to the efforts of dedicated and devoted teachers, students by adopting an innovative and student centric approach.

The College offers Bachelor of Physical Education (B.P.Ed.4 Years) and Master of Physical Education and Sports (M.P.E.S.) programmes along with Ph.D. in Physical Education (as a research center of University of Kerala). The alumni of LNCPE are employed in various sectors like Physical Education, Sports, Health and Fitness, Yoga, Defense Services, Industrial Sectors, Corporate Sectors and Media Sectors etc. and hold crucial positions. The college has a 100% placement record to its credit.

In LNCPE, we have accepted the challenges put forth by the pandemic and look for opportunities for restructuring our education systems, enabling our students to become more adaptable, motivated and employable. We understand the role of holistic interwoven approach to learning as essential for a transformation and cutting-edge academic experience. I am proud to share that, despite the challenges thrown up FROM time to time; we have adapted the blended method of teaching and learning and complete all the academic activities successfully. This is only possible with the untiring efforts of our highly skilled and experienced faculty and indomitable will of our students to learn. Further we have conducted various online training programmes for PE Teachers, Community coaches, sports coaches and athletes at national level, where more than 75000 participants were trained. LNCPE also organized various national and international seminars, webinars and special lectures in association with organizations of national and international repute.

Here in LNCPE, we understand the potential of each and every student and provide them a conducive environment for excellence in academics, research and sports. The team LNCPE will help you pursue your goals by realizing your full potential. I wish the students a bright academic career ahead.

**LAKSHMIBAI NATIONAL COLLEGE OF PHYSICAL
EDUCATION
THIRUVANANTHAPURAM**

THE BACKGROUND

Lakshmibai National College of Physical Education, Kariavattom, Thiruvananthapuram, which bears the name of Lakshmibai, Rani of Jhansi, the dauntless heroine of the First War of Independence, was established by the Government of India, Ministry of Human Resource Development, Department of Education on 17th August, 1985. The college is a humble tribute of the nation to the unrelenting spirit of freedom, valor and patriotism. As an off- shoot of Lakshmibai National College of Physical Education, Gwalior (now LNIPE) it aims to provide excellent facilities for the upliftment of Physical Education and sports in the country and serve as a model institute of teacher-training by offering under-graduate, post-graduate and doctoral studies.

The college is located at the northern side of the Kariavattom Campus of the University of Kerala approximately 15 km. from Thiruvananthapuram city on the National Highway 47. The expanse of coconut and cashew plantation produces a soothing effect on the human body, mind and spirit.

OBJECTIVES

The main objectives of the Institution are: -

- To provide excellent facilities for the upliftment of physical education and sports in the country and to serve as a model institute for teacher's training by offering undergraduate and postgraduate/ research courses.
- To prepare highly competent and skilled leaders in the field of physical education and sports.
- To serve as a Centre of Excellence for research in physical education and allied areas
- To provide technical ,professional and academic leadership to other institutions of physical education
- To provide vocational guidance and placement services to the people in the field.

8. Medium of Instruction and Examination

The medium of instruction and examination of the course shall be English.

9. Programme in the Choice Based Credit and Semester System

The following are the important aspects of the B.P.Ed programme.

- A. Semesters
- B. Continuous Internal Assessment (CIA)
- C. End Semester Examination (ESE)

10. Semesters:

An academic year is divided into two semesters.

The duration of each semester shall be five months inclusive of the days of examination. There shall be at least 90 working days and a minimum of 450 hours of instruction in a semester. There will be, to the extent possible, one-month break between semesters.

11. Working days:

There shall be at least 180 working days per year exclusive of admission and examination processes, etc.

12. Academic Week is a unit of six working days in which distribution of work is organized from day one to day six, with seven contact hours which include tutoring on each day.

13. Choice Based Credit and Semester System is an instructional package developed to suit the needs of students, to keep pace with the developments in higher education and the quality assurance expected of it in the light of liberalization and globalization in higher education.

14. Core Course means a subject that is compulsory as specified for all students undergoing the BPEd. Programme.

15. Elective Subject means a subject which would enrich the BPEd. programme where the students are allowed to choose from a category of subjects

16. Practicum means a Game or Sport discipline that comes under the category of Games which are compulsory as specified for all students undergoing the BPEd. (4 Year) Innovative Degree programme.

17. Course: The term course usually referred to as 'papers' is a component of a programme. All courses need not carry the same weightage. The courses should define learning objectives and learning outcomes. A course may be designed to comprise Lectures/ Practicals/ tutorials/ laboratory work/ field work/ outreach activities/ project work/ vocational training/ viva/ seminars/ term papers/ assignments/ presentations/ self-study etc. or a combination of some of these.

The following are the various categories of courses suggested for the BPEd. Programme:

a. Theory Course

- i. Core Course
- ii. Elective

b. Practicum

- i. Teaching Practice
- ii. Coaching Ability
- iii. Internship
